Dear Prof. Krishna N.Sharma;

RE: FINANCIAL APPEAL TO ROOF ST. JOSEPH BUKANDEKANDE SUB-PARISH CHURCH

There are moments in life when change becomes so difficult yet the results that spring out of the change are incredible that the agents of this change are forever remembered. It is for this reason that I appeal to you to participate in changing and developing St. Joseph's Bukandekande Sub-Parish in Mpala Parish, Kampala Archdiocese.

The Sub-Parish was inaugurated on 24th March 2019 with a Church at the roofing stage (*see attached photo*). Roof construction requires that all materials are available since it cannot be phased. With a few donations and contributions from parishioners and other well-wishers like you, we have great expectations of having the Church roofed.

The leadership of the Church has received summary of bills of quantities for this critical phase as seen in the *second attachment*.

As I encourage you to be part of us in this noble cause of Roofing the Church, I commit to memory with joy and hope the words of Jesus in the Gospel of Luke 14:28 where he cautions us that before we endeavor to start any big project we need to plan and ensure that we have enough money to successfully complete the project. We hereby kindly appeal to you for financial support so that we see this goal achieved to enable us worship our God in a worthy and fitting place. Your contribution will be highly appreciated and it can be channeled through our account with the following details:
