Ruparelia Foundation

Kampala Uganda

Dear Sir

**Re: Funding towards The Pulse film project**

I pray you are in good health. Thank you for the services you are rendering this country and its people.

Allow me to introduce our film project The Pulse (Entuninsi). This is a Ugandan film project by Ugandan film makers who use art and other media forms to tell Ugandan stories to Ugandans and beyond. The 90 minutes film rotates around a 11-year old active pupil of Kampala Parents with middle class parents. The pupil, good with computers, athletic and in love with driving ahead of a legal age, saves his dad, from a disastrous heart failure as they drive from school in the rush hours of the evening. The boy finds a way to drive through the jam, notifying police and family to find him in a hospital he finds via GPS.

**The film brings out the need for extra curricula learning for children as well as middle aged parents coming out to exercise their bodies instead of minding their work all the time.**

We are glad and appreciative that Dr Sudhir has granted us access to KPS, VU and SAK. We request that Ruparelia Foundation supports us with UGX10 MILLION, towards the shooting of this film.

Thank you.
