### RE: REQUEST TO SPONSOR THE 7<sup>th</sup> ANNUAL EASTERN AFRICA WASTE MANAGEMENT CONFERENCE 28<sup>th</sup> – 30<sup>st</sup> AUGUST 2019.

I am pleased to inform you about the 7<sup>th</sup> Annual Eastern Africa Waste Management Conference organized under the theme "Towards a sustainable future through strategic waste management", to be held from 28<sup>th</sup> to 30<sup>th</sup> August 2019 at the Protea Hotel, Kampala.

The Conference is the region's largest and only conference that pioneers innovations in waste management practices across all waste categories. The event brings together stakeholders from the informal and formal sectors including business, civil society, governance, and education to exchange ideas, knowledge and information, and promote partnership and networking, thereby contributing to the sustainable development of the East African region. The Conference is hosted by the National Environment Management Authority (NEMA), and is organized by Sanitation and Environmental Consult (SEC), a multidisciplinary consulting sanitary and environmental engineering firm in Kampala.

This year's event seeks to promote products, services and technologies that minimise waste generation across all the sectors of the economy. It will also address the need for key players to rethink waste management practices across the region for a sustainable future. The two-day event will be preceded by a one-day training workshop on "**Strategic waste management in Industry: towards a zero-waste hierarchy**" to be held on 28<sup>th</sup> August 2019.

This is therefore to request you to sponsor the 7<sup>th</sup> Annual Eastern Africa Waste Management Conference. Your sponsorship is greatly appreciated. Attached to this letter are details on the different sponsorship categories and their respective benefits. Please review and choose your preference.

For more information about the conference, please visit the conference website [www.wastemanagementconference.com](http://www.wastemanagementconference.com) or contact the conference secretary by email to [secretary@wastemanagementconference.com](mailto:secretary@wastemanagementconference.com) or by telephone +256772499336.
