7<sup>th</sup> November 2019

Mr. Rajiv Ruparelle  
Crane Management  
KAMPALA

Dear Sir,

**CARING FOR CHILDREN WITH DOWN SYNDROME IN MULAGO GENERAL REFERRAL HOSPITAL:**

Down syndrome is a genetic condition caused by the presence of an extra 21 chromosome resulting in the disrupt of growth of the developing baby.

In Uganda, all children born with Down syndrome have learning disability and impairment of some sort, significant hearing problem and problems with vision are even more common. Chances of developing thyroid disease, senile dementia and heart problems are relatively high.

Its upon this background that Mulago hospital together with Eden Miracle Ministries, a faith - based organization situated in Katala – Nalumunye with a branch in the Central Business District on Kampala road, located at Boulevard Building, opposite main Post Office a faith-based organisation ([www.edenmiracleministriesch.org](http://www.edenmiracleministriesch.org)) have come up with a prayer walk to care and raise support for these young souls.

This year's proceeds will be used to buy for them supplements and multi-vitamins since the condition weakens them alot hence need to boost their immunity, Surgery ranging UGX 12,000,000/ to UGX 16,000,000/each child, clothings, food, and to support in the creation of awareness campaign to fight stigma through counseling which is common among their parents and caretakers .

We expect to attract about 1,000 participants or more for our 1st Edition of our Prayer walk, from City Square through Jinja road, Garden city, Golf course, Yusuf Lule road, Kitante road via Wandegeya, Bombo road and back to the City Square. The event is to be held on the 30<sup>th</sup> November, 2019 starting at 6:00am to 1pm.

The purpose of this letter therefore is to kindly request you to participate and support this nobel cause as per the attached budget below.

Yours Sincerely,

**SENIOR PASTOR JOSEPH SEKISAKA**
