29th November, 2019.

Dear Parent/Guardian,

Re: END OF YEAR, CIRCULAR, 2019

APPRECIATION.

On behalf of Kampala Parents' School and on my own behalf, I convey my heartfelt greetings to you all. We are sincerely grateful to you all for your support and co-operation that enabled us to go through this year successfully.

The timely fulfilment of your responsibilities towards our children has made our work easy. Thank you for investing in your children's education and choosing Kampala Parents' School for your child. Today marks the end of this academic year (2019) and therefore, I would like to draw your attention to the following key issues:

1. SCHOOL ACHIEVEMENTS.

- i) All the academic programmes including monthly examinations, study tours, syllabus coverage and class meetings were successfully conducted.
- ii) The election of new prefects was done in the most democratic manner.
- iii) Primary Leaving Examination was successfully conducted on the 4th and 5th November, 2019.

2. DISCIPLINE AT SCHOOL.

The Department of discipline is in place and very active. All the members in the disciplinary committee work unanimously to ensure that all learners conduct themselves in the most appropriate and desirable way. We extend our appreciation to all parents/guardians who have helped in promoting discipline among our learners.

3. SCHOOL MEALS.

The school provides very good meals at break and lunch time. However, for children with health issues, special meals may be packed for such children after being granted permission from the Principal's office. Parents are as well encouraged to check the quality and nutritional value of our meals by sharing lunch with us here at school at their convenience.

4. CHOICE OF FRIENDS

Some of our children don't know how to choose friends. They merely get involved with whoever they come across and often get into problems. Our responsibility as parents is to guide children on the kind of friends they should confer with especially during holidays. It is our responsibility to ensure that the habits these children copy from their 'friends' are positive rather than negative.

5. REPORT CARDS.

Each child has been given a report card clearly spelling out his/her achievement. You are advised to have an educative and parental talk with the child(ren) about all the issues contained therein.

6. PROMOTION.

Promotion is solely on merit. Please respect the teachers' assessment and Academic Board's decision, and follow it. A lot is seen and addressed before a child is promoted to the next class.

7. HOLIDAY WORK

Every child in all classes has been given holiday package. This will prepare them for their new classes next year. Your role is to remind and encourage children to do it. **Please design a programme** that will create a conducive study environment. Take keen interest in their work as you supervise it on a regular basis. 50% of the beginning of term examination will come from this holiday work.

8. OBITUARY.

Our condolences go to the families of all those who lost their dear ones:

- i) **The Late Manjeri Nanyanga** – mother of our teacher in P.7 – Mr. Jungu Paul.
 - ii) **The Late Salongo Kayonga Jack** – father of our teacher in P.3 – Ms. Namyalo Stella.
 - iii) **The deceased**, a baby to our teacher in P.6 - Mr. Etomet Lawrence.
- May the Almighty God rest their souls in eternal peace.
