The Managing Director,

KAMPALA.

Dear Sir,

RE: INVITATION TO SPONSOR AND PRESENT AT THE 6th ANNUAL EASTERN AFRICA WASTE MANAGEMENT CONFERENCE 30th – 31st AUGUST 2018.

I am pleased to invite you to the 6th Annual Eastern Africa Waste Management Conference on "Waste Management in Eastern Africa: Transitioning to a Circular Economy", to be held from 30th to 31st August 2018 at the Protea Hotel, Kampala. The two-day event will be preceded by a one-day training workshop on "Understanding the Circular Economy Approach" to be held on 29th August 2018.

The Conference is the region's largest and only conference that pioneers innovations in waste management practices across all waste categories. The event brings together stakeholders from the informal and formal sectors including business, civil society, governance, and education to exchange ideas, knowledge and information, and promote partnership and networking, thereby contributing to the sustainable development of the East African region.

The Conference is hosted by the National Environment Management Authority (NEMA), and is organized by Sanitation and Environmental Consult (SEC), a multidisciplinary consulting sanitary and environmental engineering firm in Kampala.

This year's event seeks to engineer innovation by redefining products and services that minimise waste generation across all the sectors of the economy. It will also address the need for key players to rethink waste management practices across the region as we transition towards a circular economy. Participants from all sectors of the economy including academia, governance, services (telecommunications, transport, trade, tourism, and hospitality), industry (mining, manufacturing, engineering, construction, and telecommunications), and agriculture from East Africa and abroad are welcome.

This is therefore to request you to sponsor and make a presentation at the Conference on a relevant topic of your choice.. Your participation in this event will be greatly appreciated. Kindly confirm your acceptance to present by 4th July 2018.

For more information about the conference please visit the conference website at www.wastemanagementconference.com or contact the Conference Secretary by email to secretary@wastemanagementconference.com or telephone on +256 772499336.

Yours faithfully,

Dr. Tom. O. Okurut
