Dear Sir,

RE: **REQUEST TO SUPPORT THE COMPLETION OF THE ROTARY-NKOZI HOSPITAL ACCIDENT AND EMERGENCY CENTER**

I bring you greetings from the partners engaged in completion of the Rotary- Nkozi Hospital Accident and Emergency Center.

The three partners i.e; Kampala Archdiocese (Nkozi Hospital), Buganda Kingdom and Rotary Uganda have been raising funds to complete a new Accident and Emergency center at Nkozi Hospital along Masaka Road. Currently we have completed the foundation, and the project is estimated to cost us Ugx 7.8bn and we are grateful for everybody's generosity.

Nkozi Hospital is the only Hospital along Kampala - Masaka – Mutukula/Mbarara Highway that accident victims are being taken to for treatment and on average the hospital receives between 350 – 508 fatal accident cases annually. Unfortunately, the facilities at this Hospital are not adequate at all to handle accident emergencies and sometimes lives are lost and issues of disabilities occur which should otherwise be avoided.

For that reason, **Rotary Uganda, Central Broadcasting Service CBS 88.8 fm and Nkozi Hospital** partnered to establish an accident and Emergency Center at Nkozi Hospital.

Kaliisoliiso is a popular morning trivial segment that runs between 7:30am to 8:00am Monday to Friday on CBS 88.8 fm and has been airing for morethan twenty-five years and throughout these years it has touched so many lives through humor and entertainment. Over the years, the show has taken on many Community Social Initiatives as a way of giving back to community. This has always been done together with Kaliisoliiso funs and some of the initiatives have included;

1. Raising funds for the heart operation of a young girl by names of Nabbuto which was carried out in India.
2. Raising funds for children with disabilities point in case in 2017 seventy-five million shillings (75,000,00/=) was raised for Masaka school for Children with Special Needs.
3. In 2018, the dinner raised eighty-five million shillings (85,000,000/=) towards **the construction of the Rotary Nkozi Hospital Accident and Emergency Center** in Nkozi.
4. In 2019 (before the Covid-19 outbreak), one hundred and twenty-five million shillings (125,000,000/=) was raised towards the construction of **the Rotary Nkozi Hospital Accident and Emergency Center** in Nkozi.

5. In 2023, the Kaliisoliiso dinner raised One hundred and seventy million shillings (172,00,000/=) towards the construction of the **Rotary Nkozi Hospital Accident and Emergency Center** in Nkozi (*(profile attached for easy reference)*)

Because this radio show is full of humor, entertainment and satire, the dinner will be food spices with all three mentioned above and it's going to be a mix and mingle kind of dinner, we are going to get Rotarians and Non-Rotarians giving us their fair share of jokes some of which have been aired on Kaliisoliiso over the years. We shall have a live band playing for any diner who can sing any of the old songs that are usually playing at the beginning of the show.

We wish, to therefore, invite Ruparelia Group to support this noble intervention for our nation by sponsoring this dinner

The Kaliisoliiso Fundraising Dinner will this year be held on the 27th September 2024 at Speke Resort Munyonyo starting at 6:00pm.

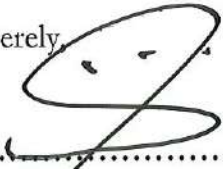

The Kaliisoliiso dinner is being organized and managed by **Legends Events** an event management company on behalf of Rotary Uganda, CBS fm and Nkozi Hospital. For follow-up please contact Mr. Aggrey Kagonyera at Legends Events Contact +256773212320 email; aggrey@legendsevents.co.ug

As partner can support at any of the partnership levels attached for your reference.

All payments should be made to CENTENARY BANK – 3200665322 (Nkozi Hospital Projects) or Airtel merchant ID- 4312289.

Looking forward to your positive consideration of our request.
