Dear

On behalf of the Crime Prevention Coalition of Uganda, thank you for supporting The launch and fundraiser Dinner of CPCU on Friday, 22 August 2014. With your generous giving, the event raised more than 120 million for Crime Prevention, which ensures everyone in Uganda is protected from criminal activities.

CPCU exists to provide and promote crime prevention, awareness, training, technical assistance, infrastructure support, and professional development to crime prevention practitioners. The CPCU has already developed working partnership with institutions such as the Uganda Police and crime preventers across the country. The activities are geared to move from Colonial Policing to Community Policing. Contribution shall supplement Police Centenary Celebrations of 100 years plus.

The coalition could not do what it does without the generous support of a caring community. Thank you again for your thoughtful gift to Uganda Crime Prevention Coalition of Uganda.

Most sincerely,

Augustus C. Mulenga
Chairman
