Attn: Sheenah
Ruparelia Group of Companies

Dear Madam,

Re: Fundraising Dinner for Obstetric Fistula

The Gynaecologists at Nakasero Hospital are organizing a fundraising dinner on 10th April 2015 to raise funds for an Obstetric Fistula Repair Project, spearheaded by Nakasero Hospital as part of their Corporate Social Responsibility Program, in conjunction with Rotary Club of Toronto and Deseret International.

The Fistula Repair Project treats women from all over the country, primarily from rural areas, at no cost to the women.

We shall be inviting 500 people mainly corporates, politicians and clients of Nakasero Hospital to the dinner. The Guest of Honour is expected to be His Excellency President Yoweri Kaguta Museveni.

This is to invite you the fundraiser in support of this project. Corporate tables of 10 people go for UGX. 1,000,000 per table.

Kindly feel free to bring any promotional materials to the venue and our partnership will be highlighted during the dinner.

Yours Faithfully,

Dr. J.K Mbonye

The Business Development Manager
Ruparelia Foundation

8th April 2015

Dear Ms. Ruparelia,

Re: Fundraising Dinner for Obstetric Fistula

Nakasero Hospital, in conjunction with our existing partners are looking for funding to resume this CSR initiative that we began last year. We hope to resume the project later this month.

In brief, Nakasero Hospital treats rural women with Obstetric Fistula for free. There are a group of Fistula Surgeons on the project, 2 of whom conduct the surgeries absolutely free, the other two at a subsidized rate. The hospital provides theatre space for free, as well as free pre and post-op accommodation, drugs and sundries at cost as well as free nursing care.

Fistula recovery is however quite a lengthy process and takes up to a month for one to fully recover following surgery. Therefore the support costs for integrating these ladies back into their communities is what the project largely needs support with. For example, the project needs to rent a recovery house where the women go after 3 days in hospital, for the remaining 3-4 weeks of their recovery. We would also like to treat a lot more women than we did last year, and involve other private hospitals to participate, and therefore need more support to make this happen.

We shall be holding a fundraising dinner on April 10th. We hope to have HE YK Museveni as Guest of Honour (or Prime Minister has committed if he is unable), and we hope for an attendance of about 400 guests. We would like to invite you to attend, and support where you can. Corporate table tickets are selling at 1,000,000 per table (10 people) and we would like to invite you to take up some tables. There will be lots of entertainment, raffle and auctions planned.

We look forward to seeing you there.

Yours Faithfully,

Dr. J.K Mbonye
