Dear Dr Ruparelia,

**Ruparelia Foundation sponsor Child's i Foundation Cocktail Reception  
Wednesday 10 June 2015, Poolside at the Kampala Serena Hotel**

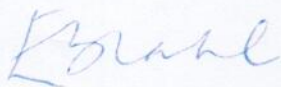

We would like to request your support of our event through sponsorship of UGX 2,500,000. The support of our sponsors means that everything we raise through this event will go directly to the vulnerable children we work with.

Child's i Foundation care for abandoned children by tracing and supporting their families, and where this is not possible facilitating legal adoption with approved Ugandan families. This means that no child needs to grow up in an institution. Your support brings us closer to achieving our vision of every Ugandan child thriving in a loving Ugandan family.

Our cocktail reception will be a celebration of Ugandan families with keynote speaker Her Excellency Angelina Wapakhabulo and entertainment from some of Uganda's finest performers. It will be a chance to explore further the exciting prospect of the development of a social care infrastructure to protect our country's children. We very much hope to see you there and I will be sending your formal invitation shortly.

We very much look forward to hearing from you regarding the sponsorship.

Kind regards,

Dear Dr Ruparelia,

**Thank you**

We would like to thank Ruparelia Foundation very much indeed for supporting our event by sponsoring us UGX 2,500,000. With your support we were able to organise an event for 120 guests at the Serena Hotel on Wednesday to launch the work we have been doing to make sure that abandoned children can grow up in loving families, not orphanages. We also managed to raise UGX 10,000,000, which will go a very long way in reaching more children in need of our help.

Thank you for helping to bring us closer to our vision of every child growing up in a loving family.

Best wishes
