RE: LOBBYING YOUR GENUINE SUPPORT FOR A PUBLIC CAUSE TOWARDS MY MUSIC CAREER.

I hereby write to you requesting for your heartfelt support to public cause. I am a Ugandan by nationality aged 29years and a passionate Deaf Musician with a mission to touch, sensitize and reach deaf culture, history, deaf awareness and sign language, a platform that will unmask the deaf and their potential to promote public good, express our choice and freedom through the use of service of an interpreter.

In a bid to record my music as an avenue to reach out and sell our culture and history as I create deaf awareness to the general public, I humbly request for your financial support to fund my studio time, video coverage, my interpreter and collaborations with other artists as you be aware. This will provide an opportunity to blossom and affect our talents as the emerging deaf-rappers in Africa to help reflect our culture in sign language which is very rich in literature as well as teach language to the hearing community. The total project cost is 7,000,000/= (seven million Uganda shillings only)

Please any assistance will make a difference. I am looking forward to hear positive response from you. Thanks so much.

Yours Sincerely

.....
Moses Nsengiyumva
