Kampala

Dear Sir/Madam,

**RE: Invitation to partner with World vision in Karamoja**

We bring you warm greetings from

Trigger Ltd and Members of Worship Harvest ministries are partnering with World Vision Uganda to improve lives in Karamoja region by building boreholes that will provide safe, clean water to households. Karamoja region in Uganda is divided into two sub counties of Lotim and Greater Kalapata in Kaabong District and has a total population of 26,000 people in 97 villages.

This particular area has 46 functional boreholes, which are very far apart from each other. Community members especially children and expectant mothers find it hard to access the functional boreholes. Ideally, one should walk only 30 minutes to access clean water.

We, together with World Vision would like to drill at least 5 boreholes in Kaabong district. Once this area gets 5 more boreholes, communities will not have to move long distances to get clean water. One borehole serves an estimated number of 300 people. Though a drop in the ocean we would have directly impacted and transformed the lives of 1,500 people. The Sanitation and nutrition areas will be greatly improved, children will be able to go to school. Parents will be able to provide for their families with ease and there will not be any water related diseases. Each borehole will cost 25,000,000 (Twenty Five Million) Uganda Shillings, bringing the total project cost to 125,000,000(One Hundred Twenty Five million) Uganda shillings.

The purpose of this letter therefore is to request you to join us during the fundraising dinner slated for June 23<sup>rd</sup> 2017 as we work to transform the lives in Karamoja.

Yours Sincerely,

  
Gideon Kirumira
