CIRCULAR FOR END OF TERM THREE 2018

Salutation

On behalf of the School Management Committee and the entire staff of Kitante Primary School, I convey warm greetings to you. I wish to thank you for the continued support, guidance and cooperation you have rendered to the school. I pray that God guides us through 2019 successfully.

Term three has ended today, Friday, December 07, 2018. You will receive your child's report card and fees bank slip when you come to attend the 2018 PTA Annual General Meeting on Sunday, December 09, 2018 at 2:00 pm. The school will open for Term 1, 2019 on Monday, February 04, 2019.

Academic Work

The main reason for entrusting us with your children is provision of quality education. I am happy to report to you that all pupils in all classes have been effectively taught. Term three syllabus was completed.

Most of our pupils have performed well in all examinations given. Refer to your child's progressive report card for details. I commend the staff, parents and pupils for a job well done.

Children's Health

Similarly, I thank the parents who assisted their children to be clean throughout the term. Likewise, we would like to encourage you to promote good healthy practices among the children e.g. good and timely feeding of children, personal hygiene so as to control associated diseases among the children.

Punctuality

I thank the parents/guardians who have been sending their children in time throughout the year. Those whose child/children has/have been registered for coming late, please let us start a new term with a spirit of punctuality. The parents/guardians who collect their children from school very late in the evening are advised to desist from the practise because it stresses and endangers children's lives.

Discipline

I am grateful to parents/guardians and teachers for instilling discipline in our pupils. We encourage you to monitor children during the holiday so that they are safe from all sorts of child abuse out there. Also, keep them away from bad peer groups in the community.

Obituary

On behalf of the School Management Committee and staff, I offer our condolences to those who lost their beloved ones. We pray that the Almighty God grants the departed eternal peace.

School dues

I would like to thank the parents/guardians who cleared school dues in time. The funds provided enabled us to finance school activities that include: support staff motivational allowances and wages, provision of welfare needs, beautification of the school, payment of utility bills, maintenance of the school plant and provision of scholastic materials, among others.

School requirements

The school advises that you furnish your child with proper school requirements in form of uniforms, scholastic materials, shoes, classroom sanitary materials and a ream of paper. The old, faded and worn out uniforms should be replaced with new ones. We expect your child to submit the annual one ream of paper at least in Term One. The type of reams the school requires are:

- ☞ Paper One,
- ☞ JK Copier,
- ☞ Azhar Laser,
- ☞ Mondi Maestro

The recommended size is A4 (800 g/m²) with 500 sheets. Please, avoid buying fake reams of paper on the market.

Study materials

The school would like to further promote academic excellence. So, we have identified some text and reference books for children's private study and revision. Please, buy some for your child's personal use at home.
