We will be working with Just Another Comedy Club. Don Andre, Option Allan and Uncle Mark will be our three performers each having a performance of about 25 minutes and Daniel Omara as the MC.

In conjunction with Patrick and the Local Council Leader we have already identified a location for the site (pictured in appendix), have come up with a budget of 36m, and initiated the creation of this event. The budget will be shared with confirmed sponsors. Please see below for sponsorship packages.

## APPENDIX – PICTURES

Pictures of the first structure in Kamokya. Even the foundation uses Eco Bricks

The Entire structure is made up of plastic bottles. It uses a composting system and recycles rain water.

## how to make an eco brick

1.

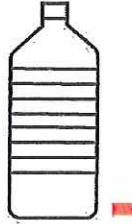

Save non-recyclables like:

- foil from teabags & chips
- sweet wrappers
- clingwrap
- plastic tags
- packaging stickers

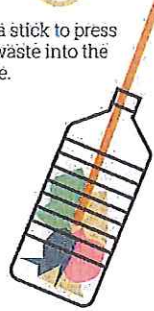

2.

Find a clean, dry 2 litre cold drink bottle with a lid

3.

Use a stick to press the waste into the bottle.

4.

Keep compressing with a stick until the 2 litre bottle weighs about 500g.

5.

Put the lid back on & pat yourself on the back.

6.

When you have a lot of EcoBricks, take them to a dropoff site.
