RELATIVES/CARETAKERS OF AKANKUNDA JANET,

RE: RECOMMENDATION FOR A KIDNEY TRANSPLANT

The above reference has been URGENTLY made to Mrs. AKANKUNDA JANET, 27yrs of age whose chronically damaged kidney functioning can no longer be reversible with her own kidneys. She urgently needs a kidney transplant and this facility doesn't do that service.

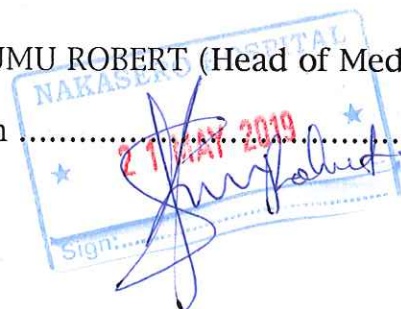

The patient was diagnosed with kidney nephropathy more than a year back. Treatment and various dialysis processes have been done but currently it can't make any clinical significance since the patient is now undergoing end stage kidney disease that's why she is highly advised to do the above stated procedure.

A well-qualified donor has already been got by the name Busingye Stephen M/30yrs.

Hospital of best choice: Medanta Hospital - New Delhi India.
