The Chairman, Ruparelia Foundation

Dear Dr Sudhir Ruparelia,

## **REF: APPRECIATION**

We are writing to express our deepest thanks for your recent donation of Ten Million Shillings to Elizabeth House centre for Youth and Children with Disabilities. Generous gifts from people like you provide the financial and moral support needed to continue our mission.

With your faithful financial contribution have demonstrated your deep love to our work of providing disabled youth and children with shelter, a balanced diet and accessories needed like wheel chairs, commodes, walkers among others to better their lives in making them more self-enabling.

There's no doubt that the need is huge. However, the support of donors like you is helping us to make it possible for youth and children with disabilities to lead happier and fruitful lives.

Thank you again for your compassionate support. We hope that you will continue to partner with us in our commitment to restore the lost hope of children with disabilities and their Parents in and around our community. We look forward to a continuing partnership with you. Our account name is; Centre for Disabled children.

Sincerely,
