Re: Request for Donation

Narayan Seva Sansthan (NSS) was established in 1985 and is head quartered in Udaipur, State of Rajasthan, India. This institute is rendering free services in the field of treatment and rehabilitation for disabled people of the society without any discrimination based on religion, region, caste, or gender.

These divine welfare activities have delivered more than 283,000 successful surgeries and 1,000 poor and disabled couples have tied knots through mass wedding ceremonies sponsored by the Sansthan. Today, NSS is spread across 490+ locations within India and a further 86 locations across the globe. NSS has won several accolades for its noble services, including India's highest honor.

For more details on the activities and achievements of NSS please visit our website: www.narayanseva.org. In addition, we have also enclosed a brochure highlighting some of NSS' activities.

After consulting the Ministry of Health and various other organizations working for disabled people in Uganda, we have come to the conclusion that assistance in the form of medical treatment and specialized corrective surgeries is required for a large number of under privileged people.

NSS has therefore come forward to provide its specialized services to cater to the above needs. We will be organising a **Medical & Rehabilitation Camp on 26th to 28th of August 2016** for Physically Disabled People in Uganda to diagnose for corrective surgery and provide aid/appliances to help crawling people stand and walk on their own feet.

Ministry of Health, Uganda (MOH) has granted approval to hold this camp to NSS. NSS will hold the camp in conjunction with MOH and Department of Orthopedics of Mulago Referral Hospital. A team of medical experts and senior doctors from NSS-India as well as Senior Orthopedic Doctors from Mulago will be part of this camp.

The proposed camp will cover the following types of disabilities:

- Congenital
- Arthrogryposis-C.T.E.V
- Osteogenesis Imperfecta
- Developmental Disorder
- Nutritional Disorder like Rickets
- Cerebral Palsy & other Neurological disorder
- Spina- Bi-Fida& Paraplegia, Polio etc.
- Acquired condition & Infection.
- Traumatic-Amputation for prosthesis

According to the survey conducted, it is estimated that more than 500 needy and disabled people will benefit from the camp. This is the first time such a camp has been organized by NSS –India to serve such a large number of people outside India.

To provide this noble service to fellow Ugandans, we are looking forward to your generous support through donations which will help meet the cost of the camp estimated to be around UGX 200 mn. This includes costs for special corrective surgeries, providing aid/appliances and logistics of the camp etc.

All your contributions will be transparently accounted for by introducing the beneficiary of your contribution to you directly. Your presence during the camp is highly appreciated.

Through your generosity, we will be able to make a huge difference in the life of the underprivileged, reduce or remove their disabilities, and help them to live a near normal life once again.

We earnestly solicit your esteemed organization's kind participation for success of this noble event by way of benevolent donation.

The donation can be deposited in "Narayan Seva Sansthan – Uganda, Account no – 1002011020002141, Crane Bank Main Branch, Kampala"

Thanking you in anticipation.

With Best Regards

Sd.
