This high energy entertaining Race will be held in **Katwe Kabatoro Town Council** on **09th/October/2017**, open for the Entire District of Kasese, under the **theme; "Youth Engagement in Development"**

The competition attracts both professional and juvenile Cyclists from all over Kasese with high regard for Cycling as a sport and part of the fun filled joy and happiness embedded in the sport. In addition, the event will provide a fair-like atmosphere for diverse activities that include; **Blood donation; HIV/AIDS testing & counseling; Tree Planting, Boxing, Fashion Design & Exhibition and a number of corporate activities** while the Cyclers will conduct demonstration, compete and exhibit their unique talents.

In regards to the information above, we would like to offer this opportunity and feel you should be part of this exceptional event. Sponsorship of this **"2017 Independence Day Cycling Race"** provides a great marketing prospect for your Organisation. In addition to this exciting and unusual sporting and charity performances and demonstrations, there will be a large spectator presence; on-site and off-site media attention while running of radio adverts on the local radio stations for a period of one month prior to the race.

For clarifications and reliability about the event, in our previous races, we have been together with both local and national corporate companies and institutions that included;

Crane Bank, Ruparelia Foundation, Victoria University, Uganda Wildlife Research & Training Institute, Katwe Kabatoro Tourism Information Centre, Svends Internet Café among others which have been and are still with us except for Crane Bank whose place can be replaced with **Goldstar Insurance Company**. This is a great chance for your Organization to gain association with an entertaining athletic event that promotes youth participation, talent development and above all protection of the environment and conservation of our Mother Nature.

The Race will attract an estimated 5,000 – 20,000 spectators over the course of the event. This is also supported and subjected to the review and following of over 700,000= people of Kasese District whose reviewing and interests are a great support to this Event and its partners.

Our Budget estimates for this cycling event are estimated at **Ushs: 17,925,000=**. This will help the Club hold a very success event and have every partner to the event achieve her intended targets.
